

Core Challenge 2019

Overcoming Sin and Temptation

The Core Challenge is not for everyone. It is only for men and women (high school through college age) who have a passion to know God better. We will unpack Christ's call to holiness, we'll consider the disturbing reality of sin and the gospel hope we have to grow in holiness. So join us on April 13 for Core Challenge – an action-packed day that is designed to help deepen your relationship with God.

Our speaker this year is Lincoln Fitch, who serves with DiscipleMakers on the Albright campus and attends Grace Bible Fellowship Church in Reading.
