2019 Summer Programs

Victory Valley Camp has several exciting programs this summer for kids age 5-14! For those not quite ready to spend the night, yet still wanting a rich Victory Valley Camp

experience, we have our Valley Day Camp program. For those ready for an exciting week living in a cabin eating meals in our dining hall, we have our Overnight Cabin Camp program. For those seeking

more adventure, spend a week living in a platform tent in the woods and help to cook your own meals in our Outpost Village adventure program.

To learn more about summer camp at VVC, call us at 610-966-5880 or check out our website at...
